THE  
SENIOR CLASS OF 1968  
PRESENTS THE  
**EDELIAN**

EDWARD DRUMMOND LIBBEY HIGH SCHOOL

TOLEDO, OHIO

The mood of a person can best be defined  
As the quality of temper or state of the mind;  
A union of the body, the mind and the soul,  
So easily shifted, quite hard to control.

The mood here at Libbey has one warm effect,  
A combining of loyalty, pride and respect;  
The pride of the student who is loyal to all;  
With respect for each other, Libbey stands tall.

A preparation to enter life's long weary road,  
To conquer each hardship, to carry the load,  
The satisfaction of learning, of making new friends  
We'll remember and cherish 'till the day that life ends.

Four years of enjoyment, four years of life's best,  
That road is awaiting, putting *you* to the test.  
But always remember this short simple rule;  
Step forward and say proudly, "*Libbey's My School!*"

## *The Many Moods of Libbey*

### **SADNESS . . . . .**

Longing and yearning for someone who's left  
Like a classmate who's close, or a friend like "Jeff."

### **SUSPENSE . . . . .**

When we awaited results of a difficult test,  
Aware that we hadn't really done our best.

### **GAIETY . . . . .**

During Homecoming dance held in the gym,  
—Blue and gold streamers—the lights down dim.

### **REFLECTION . . . . .**

While we took time for self-evaluation  
And indulged in dreams.

### **CONFIDENCE . . . . .**

What a change from that freshman—doubtful, unsure;  
To the confident senior—prepared, secure.

## *Good Luck, Carol!*

Service with a smile!

Carol is a loyal Cowboy fan.

The Libbey mood will be one of regret when Mrs. Carol Comstock leaves her duties as Head Clerk-Treasurer in the office of Libbey High School this summer. A product of our own Business Department, she has served Libbey well for sixteen years.

Mrs. Comstock has worked with the principal, the faculty, and the students with efficiency, patience, and consistent good humor. With it all, she has maintained a personal dignity that has earned everyone's respect.

We are sorry to lose her but wish for her a bright future.

Always willing to help.

Constant innovation and improvement in educational concepts and facilities mark the administration of Mr. Frank Dick, Superintendent of Toledo Public Schools. Since his appointment in 1965, Mr. Dick has initiated the expansion of the vocational education program in all the city high schools and the establishment of the "Lighted Schoolhouse" program. Milestones during his tenure include mergers of Adams Local School District and the Spencer-Sharpley District with the Toledo public schools, establishment of a Council of Instruction for purposes of curriculum study and possible change, appointment of a director of urban affairs; and the study of the Middle School concept of organization.

The use of his talents and energies does not stop at the local level. Mr. Dick participates in many state-wide programs and is becoming a well-known name in educational circles.

Toledo can be sure that Mr. Frank Dick will keep the educational institutions of this city "on the move."

Toledo Board of Education: Arthur L. Zeph, Vice Pres. Richard C. Duffv, Mrs. Maude Shapiro, Pres. William N. Thomas, Edward S. Foster, Jr.

Mr. James Foltz, former Libbey student leader and football star, this year succeeded Mr. Loy W. Rusie as principal at Libbey High School. His appointment insures the continued high quality of instruction and administration Toledo has learned to expect.

For Mr. Foltz, it has been a year of experimentation and cautious innovation, instituting changes in areas where improvements can be made but being careful to preserve the many fine traditions that make Libbey unique. While Mr. Rusie gave us the familiar slogan, *Libbey Likes It*, Mr. Foltz has added a slogan intrinsically his own: *Libbey Has PRIDE*.

Good things are happening at Libbey and the 1968 graduate looks forward to ever-increasing pride when he says, "I went to Libbey."

Mr. Foltz, you have our respect and best wishes.

## Student Council

Each year the Student Council undertakes the responsibility of providing leadership and government for the Libbey student body. This year was no exception. With the capable assistance of Mrs. Dorothy Bonser and Mr. William Kistner, advisors, the Student Council was one of the, if not *the*, most active and efficient of Libbey org.

The Student Council started the year by sponsoring the Magazine Drive. A car-safety check was held in the parking lot, with members of the Council testing cars, and the WOHO "good guys" in attendance with the "Happy Machine."

With the end of football season approaching, the Student Council helped organize the Homecoming activities and make decorations for the annual football banquet.

They again sponsored the very successful mid-term hop.

Students at Libbey can indeed be proud of their Student Council.

# CONGRATULATIONS

*to the new graduates*

As parents, neighbors, and friends  
we naturally have a special interest in  
the quality of our schools

No community is better than its schools,  
and no school is better than  
the determination and willingness  
of a community to support  
standards high enough and broad enough  
to meet tomorrow's levels of need,  
both vocationally and for citizenship.
